Judge H. L. Preston Is Not After Honor

Some one started a report Judge H. L. Preston might become a candidate for congress against Clarence F. Lea and The Press-Democrat of Santa Rosa interviewed Judge Preston and later published the following: "Replying to a question as to whether he intended entering the congressional race in this district against Congressman Clarence F. Lea, former Judge Hugh L. Preston, of Ukiah, declared yesterday, 'I have no intention of being a candidate for congress at this time.' This declaration Judge Preston's friends believe is final. He said friends in Mendocino, Lake and Humboldt counties had interviewed him on the subject of his becoming a candidate, but he had told them he would not think of such a thing at the present time. 'I am being beseiged, however,' laughed the widely-known jurist. Since his retirement from the bench Judge Preston has been devoting himself to his law practice and has been kept mighty busy."

HIGH SCHOOL MUSEUM GROWING —GIFTS SHOULD BE FREELY MADE

Miss Louise McDonald Did Great Work During The Year

The museum which has been established by the biology department of the Ukiah Union high school under direction of its instructor, Miss Louise McDonald, has grown to such proportions it almost fills one of the biology class rooms.

Show Cases Donated.

A world-wide variety of curios, souvenirs and specimens are displayed in 18 glass cases which have been accumulated by gifts and purchase. Of these cases, Mrs. Fred Arnold donated four, T. M. Cleland two, J. H. Martensen two, and P. H. Joseph another.

Gift Of Grace Hudson.

One of the museum's most highly prized exhibits is the bust of an Indian warrior painted and donated to the school by Mrs. Grace Hudson, of Ukiah.

Crawford Egg Collection.

A large exhibit of bird's eggs including 600 specimens collected on several continents with the containing case was presented to the museum by L. E. Crawford.

Various Fine Displays.

The 300 insect specimens have been assembled by local collections, exchange with other institutions and direct purchase.

The Indian baskets which have been donated by the school include examples of the weaving of the Monos, Pomos and the Wylackies.

Many Mounted Birds.

About 50 specimens of bird life is on exhibition at the museum. The mounting has been done by Miss McDonald at which work she is becoming an expert. She hopes in time to have a complete collection of the birds of this county.

From All Places.

The case of coins represents the money of 67 countries. The sea shells, whale veretebrae, shark's egg and jaw are interesting marine specimens. Pottery and textiles from the South American countries, Asia and the Pacific islands are of great interest and value.

Has Right Idea.

Miss McDonald's idea is to collect and preserve while they are available articles relating to the early history of this county that will become of increasing importance as time passes.

A Clever Idea.

As no school funds are available to offer attractive prizes for collections or single specimens. she hopes to interest residents in the museum as a community project. The hope has been expressed each club of the city might donate a case and solicit its members for contributions. It is believed that families may have articles they do not especially prize that would be worthwhile additions to the museum.

How To Deliver Gifts.

All gifts are marked plainly with the names of the donors and kept safely under lock and key. Indian curios including mortar and pestle old-fashioned weapons. and implements such as ox yokes are all highly desirable as are all articles that are odd or out-dated.

Good Job Well Done.

Miss McDonald has worked tirelessly to establish the museum and has contributed liberally to its promotion of her time, talent and means. She deserves the help and support of the community.

Donors Are Credited.

Any articles contributed after the close of the school term can be delivered to John Finne. the high school janitor, who will put them in safekeeping and be responsible for them. A list of the articles contributed and the names of the donors will be published from time to time.

Tom Saxon, one of the well-known citizens of Willits. was renewing acquaintances at the countyseat the last of the week.

Spanking Daughter Oked By The Jury

(Cloverdale Reveille)

A case which caused considerable interest in justice court this week was that in which Charles Reichel, whose home is near the Sonoma-Mendocino county line, who punished his daughter. was charged with assault and battery. The complaint was made by Mr. Reichel's recently divorced wife. Testimony indicated Mr. Reichel, who had gone to his former home to get some personal papers, engaged in an altercation with Mrs. Reichel. The girl stepped between them and assaulted her father. He seized her by a wrist and she struck him in the face. Mr. Reichel made no secret of the fact he then placed the child across his knee and gave her an old-fashioned spanking. The jury evidently approved, for a verdict of not guilty was promptly brought in.

POMONA GRANGE

An important meeting of Pomona Grange of Mendocino county was held in Grange Hall, Redwood Valley, Saturday evening, with Worthy Master Minnie Eddie, of Potter Valley presiding. A class of 20 candidates was initiated into membership. The ritualistic work was beautifully performed by the drill team of the Sonoma county Pomona Grange consisting of 12 men and 12 women. An interesting musical program was presented, the initial number of which was two vocal solos entitled "Blue Heaven" and "Just a Cottage" sung by Mrs. J. Branson to piano accompaniment by Harry Reilly. Alva Ingram delighted the audience with two Irish character songs. A. Frye, accompanied on the piano by Harry Reilly gave two pleasing harmonica numbers. At the close of the business session, an hour of cards and dancing was enjoyed after which refreshments were served. It was decided the annual Grange picnic will be held, if possible, at the Hanby Ford place June 24.

Mr. and Mrs. Wm. Mariner and Mrs. Willie Newcomb, of Lakeport, drove to Ukiah Monday to pass the day with their friends, Mr. and Mrs. Emmett Donahue.

SURPRISE PARTY

Miss Mary Morgan, the beautiful young daughter of Deputy Sheriff and Mrs. L. G. Morgan, celebrated her sixteenth birthday at a delightful surprise party arranged by her mother and a group of friends and neighbors at the family home on North State street, Saturday evening. The plans and preparations for the party were kept so secret the surprise of the complimented guest was complete.

The light of 16 tall tapers in the lovely colors of rose and gold in holders of the same happy hues flooded the rooms with a soft radiance that was most attractive. The centerpiece for the supper table was a charming arrangement or rose-colored sweet peas.

Mrs. Morgan was assisted in receiving her guests by Mrs. E. L. Williams, Mrs. Earl Bishop and Mrs. B. G. Broaddus.

Early in the evening a delicious and abundant supper was served consisting of sandwiches, coffee, and a great variety of the finest cakes and candies in the making of which Mrs. Morgan is an expert. The two large angel-food cakes were beautifully decorated by Mrs. Irma Ryan whose artistic work in this line is well known and admired. The larger of the two cakes was frosted in white and decorated with pink rosebuds, and lighted with 16 tiny pink candles in pink rosebud holders. After supper, dancing was enjoyed to piano and radio music until midnight. The many beautiful gifts received by the guest of honor helped to make her sixteenth birthday one of the happiest days of her life.

GOT HER CAP

Mr. and Mrs. F. J. Wegner visited recently in San Francisco where they were guests at the home of their son-in-law and daughter, Mr. and Mrs. Milton Levy. Mr. Wegner occupied the time consulting his physician and taking medical treatment while Mrs. Wegner attended the forty-fourth annual Rebekah Assembly in Santa Cruz to which she was a delegate from the local lodge. They report their youngest daughter, Agnes, who is in training for a nurse at St. Joseph Hospital, San Francisco, has received her cap, indicating she has successfully completed her preliminary training and is now a junior. She has two years more work ahead of her before she receives her diploma as a registered nurse. Another daughter, Mrs. Joseph Linhart, and her husband, of San Mateo, brought friends with them and came to Ukiah for last week-end. The visitors in company with Mr. and Mrs. Wegner went on a successful and enjoyable fishing trip to the Eel river country. The Linharts and their friends returned to Sausalito Sunday evening.

POTTER VALLEY PICNIC

The Potter Valley Pioneers Association will hold its annual picnic in Potter Valley June 16. The reunion is usually scheduled for June 17 but since that date falls on Sunday this year, the date of the picnic has been set for June 16. This event is eagerly anticipated by pioneers of that section and many former residents come from various other parts of the state to be in attendance at the celebration.

AT BENSON HOME

Mrs. D. D. Taber, of the Women's Auxiliary of the Episcopal church, was a house guest of Rev. and Mrs. E. H. Benson last week.

CLUB YEAR IS ENDED BY A LOVELY AFFAIR

The beautiful grounds of the Dolores Apartments owned by Mrs. Lottie Collins where Mrs. Nina Banker has made her home for some years past, was the scene of the concluding meeting of the Cultus Club for the current year.

The hostesses of the evening were Mrs. Nina Banker, Mrs. W. J. Mellis and Miss Alice Lamb.

A sumptuous supper was served at seven o'clock Tuesday evening at one large round table under the great English walnut tree that spreads its uniform branches over the paved and latticed enclosed corner of the garden like a great green tent. The lovely rock gardens built of the red volcanic rock brought from Mrs. Collins' native Lake county formed a beautiful and picturesque background to the scene.

The table at which the 25 members and guests were seated was charmingly decorated with mixed flowers from the garden in which the happy affair was held.

A number of interesting entertainment features were presented by Mrs. W. J. Mellis, program chairman of the evening. Mrs. Fannie McCowen reviewed the club programs of the past year and commended each one for its particular merit. Miss Shirley Perry delighted the company with a group of vocal solos sung to her own accompaniment on the ukelele, one of which was of her own composition and contained a reference to each club individual.

Mrs. Mellis recited an original poem which offered a tribute to each club member and formed a very effective feature.

Guests of the club included Mrs. Mary Orr, who resigned from membership at the previous meeting on account of illness in her home, Mrs. J. G. Thomas, of Berkeley, a past president of the club who spoke interestingly of olden times, and Mrs. Anderson Thomas, of Oakland.

During the business session, the new officers were duly elected and installed as follows: President, Mrs. Leta Thornton; first vice-president, Mrs. Gladys Stickney; second vice-president, Mrs. Lillian Thomas; secretary, Mrs. Eva Lieurance;; corresponding secretary, Mrs. Lucy Seawell; treasurer, Mrs. Geraldine Grant.

Mrs. Lillian Thomas, the retiring president, was presented a beautiful basket of flowers of 25 different varieties, each one selected to represent a member of the organization the membership of which is limited to that number. Mrs. Thomas made a graceful speech of acceptance.

When Mrs. Leta Thornton accepted the gavel, she addressed the meeting on the subject of her hopes and plans for the future of the club.

Roll call was responded to in the practical manner of giving suggestions for programs for the coming year.

The meeting was closed with community singing led by Mrs. Joy Wilson.

Mrs. Lena Christensen was elected to membership to fill the vacancy caused by the resignation of Mrs. Mary Orr.

Mrs. J. G. Thomas, of Berkeley, is visiting at the home of her mother, Mrs. Mary Williams, in this city.

YEAR ENDS FOR THE SATURDAY AFTERNOON CLUB

Miss Grace Emery, whose energy, enthusiasm and executive ability have brought her recognition as a leading club woman of Mendocino county, brought to a successful conclusion a year of harmonious and effective work as president of the Saturday Afternoon Club in the annual luncheon meeting of the Club held at the clubhouse, Saturday afternoon.

The tables were set in the form of an open rectangle in the main room of the clubhouse and were elaborately decorated with garlands of the feathery foliage of the wild rose and magnificent mixed bouquets of a great variety of flowers that are blooming in such perfection in Ukiah gardens during this unusually favorable season.

At the conclusion of the luncheon, an interesting business session was held with Miss Grace Emery presiding. Four applications for membership were read and Miss Dorothy Giles was unanimously elected to membership in the club.

The committee that put on the dinner which the Bar Association of Mendocino county gave in honor of Associate Justice Emmet Seawell of the Supreme Court who was here as Grand President of the Native Sons, reported $23 as the proceeds of the project.

Miss Emery paid a special and touching tribute to the memory of Mrs. Marie Hinton Rea and Miss Carrie Garsey, two past presidents of the club, who had passed away during her term of office. These two well-known pioneer women occupied the chair at times covering opposite critical events in the world's history. During Mrs. Rea's reign in 1913-1914, the great conflagration of World War blazed forth, while during Miss Garsey's administration in 1918-1919 the consuming hostilities died down into the embers of bitter hate and jealousy.

In her retiring address, Miss Emery reviewed the programs and achievements of the past year with the satisfaction that comes with contemplation of a wonderfully well done work. It was reported the original debt on the club house of $9,000 divided between $3500 in bonds and a note of $5500 had been reduced to the extent all but two of the $35 bonds have been paid and the note diminished to the amount of $4100, leaving a total obligation of only $4205.

Miss Emery sincerely thanked each and every officer and member for her willing co-operation and work and expressed especial appreciation to her secretary, Mrs. Vincent Giorno, who had discharged her duties faithfully and efficiently; to Mrs. Held for her assistance; to Mrs. A. L. Tracy, chairman of the Finance Committee, for her successful handling of the Club's finances, to Mrs. Louise Hofman, for maintaining the club house in perfect condition, to Mrs. J. H. Hansen for her excellent care of the garden and to Mrs. Olive E. Busch for the favorable publicity accorded the club and its various activities.

Miss Emery stated the club has been increased by the addition of 28 new members the past year and wished her successor all possible success and bespoke for her the same help and co-operation which she had enjoyed. Miss Emery was presented by Mrs. V. C. McClure on behalf of the club with a past president's pin and by Mrs. Hildreth with a beautiful basket of flowers from Mrs. C. B. Hopkins.

The new officers were installed at an inspiring and impressive ceremony read in a beautiful and well modulated voice by Mrs. Louis Hildreth. Mrs. Mark Eglin presided at the piano and played the processional and recessional marches. Those who participated in the floor work were attractively attired in lovely afternoon costumes. Mrs. Hildreth wore a charming afternoon gown in soft shades of pink with a corsage of pink rosebuds. Miss Emery, the retiring president, was radiant in a beautiful afternoon costume of deep rose color completed by a corsage of carnations in the same color. Mrs. C. A. Bernhard, the incoming president, wore a most becoming gown of Nile green silk crepe.

The gleam of the snowy candles carried by the installing officer and the chief executives symbolized the white light of progress into which was merged the rainbow rays of the colored candles borne aloft by the other officials. Mrs. R. R. Byrnes acted as proxy for Mrs. R. R. Ingels and Mrs. B. C. Foster acted in a like capacity for Mrs. H. C. Spurr, the two officials who were unable to be present.

The past presidents were represented in the installation ceremonies by Mrs. J. A. Jamison, Mrs. C. W. Bradford, Mrs. Hale McCowen, Sr., and Mrs. W. D. L. Held, while the membership was impersonated by Mrs. E. J. Reynolds, Mrs. Elmer Purdy, Mrs. Robert McGarvey and Mrs. C. B. Hopkins.

The tall pink and orchid candles on the speaker's table were lighted as a tribute and greeting to the new president. Mrs. C. A. Bernhard, by Mrs. V. C. McClure, the junior past president.

Mrs. C. A. Bernhard addressed the club in a very enthusiastic and optimistic speech that betokens a bright and successful coming year. Mrs. Bernhard was born and raised in Ukiah and has been a leader in club and civic work in this community many years.

Committees were appointed by Mrs. Bernhard as follows: Auditing committee, Mrs. C. B. Hopkins and Mrs. Leila Williams; press chairman, Mrs. Olive E. Busch; house chairman, Mrs. Louis Hofman; garden chairman, Mrs. J. H. Hansen; parliamentarian, Mrs. W. D. L. Held; and trustees, Mrs. Rena Stout, Mrs. Ida Harris Brown and Mrs. W. D. L. Held; finance committee, Mrs. Eva Dutton, Mrs. J. H. Hansen, Mrs. Fred L. Bosworth, Mrs. Ida Harris Brown and Mrs. W. D. L. Held.

By unanimous vote of the club, Mrs. J. R. Clark, of San Francisco, a past president of the club, who is a talented reader and singer and puts on an annual program for the club that is highly appreciated by members, was elected an honorary member of the club.

The club work will be divided this year into the following sections: Literary, Arts and Crafts, Choral and Dramatic, Nature Study and Gardens, American Citizenship and Current Events.

WAS FISHING AND FELL DEAD

Napan Probable Victim Of Heart Disease On Coast

James Anglin, of Napa, was found dead on the banks of Big river, Sunday. Accompanied by Mr. and Mrs. Fred Snow, also of Napa county, Mr. Anglin came to the Mendocino coast to fish. He had been a patient at St. Helena sanitarium and had been cautioned about over-exerting himself, his heart being impaired. It is believed excitement caused a heart attack which proved fatal, while alone.

Found By Companions.

Mr. Anglin left camp with Mr. and Mrs. Snow ,the latter going in one direction and the former in another. In the evening Mr. and Mrs. Snow returned to camp and fried some fish they had caught. They waited some time for their companion to return and failing to do so, they started out to find him. A short distance up stream they came upon the body of Mr. Anglin which was brought to camp and later taken to Napa county.

HIGH SCHOOL DEBATERS WIN

Fine Showing Made By Teams In Outside Clashes

The debate team of the Ukiah high school is winning an enviable reputation for itself by its achievements in the inter-school debating contests that have been staged in this and neighboring counties recently. These friendly literary controversies are motivated education of a very valuable character. W. A. Chessall is the faculty adviser of the debate team and accompanies its members on their pilgrimages to other schools.

Debated Here Thursday.

An interesting debate was held in the auditorium of the Ukiah high school, Thursday afternoon at three o'clock, on the important subject of "Resolved that the Paris peace pact is an effective means for the preservation of peace." The audience was composed of the entire student body, the faculty and a number of guests.

Those Who Took Part.

The affirmative was taken by the Ukiah team, represented by Kenneth Mahurin, Harley Freeman and Tom Cleland, while the negative side of the proposition was argued by Elva Filippi, Jeanette Cook and Anna Toniahi.

Ukiah Boys Won.

The arguments in rebuttal were presented by Tom Cleland and Elva Filippi. The decision was given to the Ukiah boys by the committee of judges which was composed of Rev. E. H. Benson, Mrs. E. B. Christensen and Mrs. J. R. Thomas.

Performed A Feat.

The members of the local team are sophomores while their opponents are juniors. The Ukiah students certainly have a brilliant future before them as any man who can win an argument with a woman ought to be able to stand his ground in the United States senate where, probably more talking is done by men than any other place in the world.

Again Ukiah Won.

The same question had been debated at the Cloverdale high school the week before, on May 17. The negative side was taken by the Ukiah team, represented by Harley Branson, Carlton Mahurin and Lloyd McCracken. The Cloverdale team was composed of two girls and one boy. The committe of judges which was headed by Mrs. C. B. Shaw decided in favor of the Ukiahans. The decision is made on the basis of 60 per cent for valid argument, 20 per cent for free delivery and 20 per cent for correct English. The team was accompanied to Cloverdale by W. A. Chessall, faculty adviser, Richard Leno, president of the student body of the Ukiah high school, Tom Cleland, Harley Freeman and Kenneth Mahurin. Richard Leno and W. A. Chessall both addressed the audience briefly. In the debate at Cloverdale, the Cloverdale team was made up of Seniors while the members of the Ukiah team were sophomores.

They Broke Even.

Two debates have been held between the Lakeport and Ukiah high schools. The Ukiah team lost the contest staged at Lakeport and won the one held in Ukiah.

Are Great Help.

Open debates are the best possible training in public speaking and have always excited public interest from the time of the Roman Forum down to the days of the Lincoln-Douglas debates and the modern verbal encounters in our legislative halls.

Father Cantillion Leaves For Ireland

Father Cantillion is one of the most popular priests who have been stationed at St. Mary's and is doing excellent work among the Catholics of this part of the state. The return of Father Cantillion will likely occur in about 90 days.

SEN. SLATER'S VIEWS RIGHT

Santa Rosa Newspaperman Gives Official Due Praise

There appeared in Senator Herbert W. Slater's column in The Santa Rosa Press-Democrat the other day the following merited tribute to a man occupying one of the most important posts in the Rolph administration and who, since he has been named on the State Industrial Accident Commission has handled matters which have come before him as no man who has served in that capacity has. This is what Senator Slater says of the official referred to:

"Frank C. McDonald, member of the state industrial accident commission and former state labor commissioner, many years president of the state building trades council, has entered sincerely into the discharge of the important duties as a member of the commission which administers the extremely important and humane workmen's compensation act. Frank C. McDonald knows and appreciates the cause of the man who toils by the sweat of his brow and has the reputation of being able to give both employer and employe a fair break."

An Ideal Official.

The editor of this newspaper knows Frank McDonald intimately, and he hopes, whatever governor may be selected in August, may have the rare good luck of being able to retain Frank McDonald on the commission. There is no man in all California who has a higher record for integrity, who is more humane or who has the grasp on the workingman's problems Frank McDonald has and, as he continues to perform his duties, the satisfaction over what he does will spread.

Friendly Bear Was Somewhat Curious

The other afternoon while an old man was cutting wood on the outskirts of Willits a big brown bear appeared in the offing and cavorted about mirthfully. He sized up the woodcutter, who was unarmed, circled about a number of times and then slowly trotted off into the woods. The bear was in fine, fat condition and, seemingly, wanted to be friendly and when his good intentions were not understood by the old fellow with the axe, the bear went away into the wilderness to find more agreeable companions.

Hold-up men don't want your Bank of America TRAVELERS CHEQUES

It was pointed out by William J. Quinn, Chief of Police of San Francisco, in one of his recent educational radio talks, "that thieves and hold-up men are rarely so injudicious as to take Travelers Cheques." Thieves know you will notify Bank of America *immediately* if your Travelers Cheques are stolen, and that the police all over the country will be on the watch to arrest the person who tries to cash them.

Bank of America Travelers Cheques are as readily acceptable as cash, if presented by their rightful owner, and are obtainable at any of the 415 branches of Bank of America—or authorized sales agencies.
